Our Company:

MRI Group is an affiliate of Penn Medicine Lancaster General Health and the leading provider of MRI services in our region with six locations in the county. Penn Medicine Health System is a world-leading academic medical institution. Consistently ranked as one of the best hospitals in the state and nationally, Penn Medicine Lancaster General Health has been a cornerstone of healthcare in the region for over 125 years.

Location:

Lancaster, Pennsylvania, is a great place to live. We are a diverse community, with great schools, safe neighborhoods, affordable housing, and a wealth of cultural and recreational activities. Downtown Lancaster is known for its diverse restaurants, art galleries, unique boutiques, and live local music scene. The scenic Susquehanna River Valley provides opportunities for multiple outdoor activities. We are a short drive to the Atlantic beaches. Urban life is a short distance to New York, Baltimore, Philadelphia, and Washington D.C. by car or train. Lancaster was recently named by Forbes magazine as one of the top ten places to visit in the country.
